

SAMPLE COFFEE SHOP MENU

"Honesty is a new kind of business. Its aim is quite simple, to be honest about food, honest about what's in it, where it comes from and how it is cooked. Like all businesses, we need to make a profit but we won't do it at the expense of our principles."

Our daily* specials are just that, they are produced daily for our coffee shops, in our Honesty bakery and kitchen and change regularly. They are produced using fresh ingredients, no additives, preservatives or colourings. We have a range of items that you can enjoy on the premises and many things that you can grab and take away. Our bakery range uses only organic flours and wherever possible we source our ingredients locally.
